# Sunsational Summer Camp

Sunsational Summer Camp, an extension of Grace School-Age Childcare, believes that summer vacation should be a time for children to enjoy their favorite summer pastimes. Through fun field trips and daily activities, children 6 thru 13 years of age build important life skills, expand their world-view, and create life-long memories.

## Summer Camp activities include:

### Swimming

Join us 2-3 times per week as we paddle our way around area pools (weather permitting).

### Library Program

Weekly trips to area libraries encourages and fosters a love of reading in your child.

### Field Trips

We are always on the move; be it daily trips to local parks and attractions, or larger excursions to Hayward, Wis. Dells, the Minnesota Zoo and others!

### Arts & Crafts

Whether creating in the classroom, singing on the bus, or attending area plays, we very much believe in the arts.

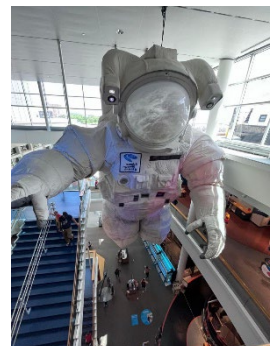

### Exploring WI State Parks

What does our state offer us when we want to take a walk in the woods? Rivers, waterfalls, animals, and oh the surprises that we find.

### Other Activities Have Included:

Sand castle day, movies at Micon, water play-day, cookouts, bowling, mini-golf, Scheers Lumberjack show, Beaver Creek Reserve, Great Lakes, Fawn-Doe-Rosa Wildlife Sanctuary, Crystal Cave, Pioneer Village, and much more!

- If parents are splitting accounts, vacation days will be split between the two individuals. For example, if your child comes 5 days a week, each parent will have 2.5 days of vacation to use. If your child comes 3 days a week, each parent will have 1.5 days of vacation to use.
